Our track record of success has been widely recognized in the market:

**“A recent study by an expert witness firm ranked Arnold & Porter as the most successful law firm in investment arbitration in terms of case outcomes.**

**The firm reckons it has achieved positive results for state clients in 46 out of 47 cases [A&P: now 53 out of 54].”**

— *Global Arbitration Review*, “GAR 100” (2023 edition)

\* Our track record encompasses all awards or decisions which, at the time of issuance, constituted a final ruling (or a potentially final ruling, e.g., an award that at the time of issuance was final but still subject to a potential annulment application). Accordingly, the methodology does not include: partial or interim awards, jurisdictional decisions that did not dismiss the claims, or provisional measures decisions (since none of those constitute final overall decisions).

<sup>1</sup> “Complete Victory” is defined as full dismissal of all claims on the merits, jurisdiction, admissibility, and/or other grounds.

“The ‘exceptional’ **Arnold & Porter** international arbitration practice is best known for its impressive track record in investor-treaty matters where it has focused on representing sovereign states.”
